"Time To Go"

A frenzied crowd is burning the nation,
Mutter a few words and incantations,
Blood stained buck runs law and order,
You gotta run with me across the border
Time to go, it's time to know (x3)
It's time

In advanced stages of drunken stupor,
Hand in hand let's fitly maneuver,
A sacred dance around the fire,
Our mending madness in rite attire

Time to go, it's time to know (x3)
It's time

Dance dance dance dance,
Trance trance trance trance,
Lie lie, die die,
Again, and again, and again, and again
And again, and again, and again, and again
Alright.
