You don't have  
To be somebody  
And you don't have  
To try to figure it out  
No, you don't have  
To answer no questions  
No, you don't have  
To do nothin' at all...

That's what you always do  
It's what you're best at, baby  
That's what you always do

It don't care  
Just where you come from  
No, it don't care  
If you're rich or you're poor  
No, it don't care  
About your religion  
No, it don't care  
About you at all...

It don't care about you  
Why don't you realize

Oh, my darlin'  
Won't you listen  
What I'm tellin' you  
Oh, baby  
Can't you see  
What you're doin'  
What you're doin' to yourself and to me

Ah, but you now  
You don't listen to no one  
Oh, my baby  
Can't you see  
What you're doin' to yourself  
Oh, my darlin'  
Won't you listen  
Won't you listen, please
