[Verse 1: Theophilus London]

I had a wonderful time here  
Sincere, back in the Hum Drum  
She picks the feeling when I'm near  
She hears heckles and the hum hum  
And night winds blew, night winds blew  
Past tense, waiting on the sun sun  
Back in the days, you followed your heart  
And tell me when to go, and tell me when to start  
I'll be back for you before the summer parts  
I'll be back, back before the summer parts  
Became insecure with your body parts  
Until the night came, we took it all apart  
And night winds blew, night winds blew  
Past tense, waiting on the sun to start  
Rise up, Wise up, Time's up (Time's up)

[Hook: Unknown female]

I want to thank you, Heavenly Father  
For shining your light on me  
You sent me someone who really loves me  
And not just my body  
He keeps me happy  
So very happy and loves me  
I don't know how to be  
It's been a long time since I had someone who loves  
me  
I owe my thanks to thee

I know it cannot happen without your love  
Ooh, without your love

[Verse 2: Theophilus London]

I think holiday sweaters  
Somehow just make the holiday better  
The sun's out, it's Christmas  
That means we in Aussie, saucy  
Is that an old Benz? Well that's bossy  
All my old friends, they lost me  
Somehow when you get bigger in the limelight  
And they start playing some crossover on our right

Forget what they say this is our night  
I need you, baby blue, like {guitar fight?}  
Where's Duke? I hope you don't puke  
The limo looks clean, the wine's the fruit  
The lines, the hook, the dope, the book  
Your ten inch heels, the flair, the look  
The glare in her eyes, she's innocent  
You're acting too belligerent

[Hook: Unknown female]

I want to thank you, Heavenly Father  
For shining your light on me  
You sent me someone who really loves me  
And not just my body  
He keeps me happy  
So very happy and loves me
