Oh my how time goes fast but not on a lonely night  
His way is off to the west yes to catch his flight.  
Her bedroom was painted red to sleep through the  
nights.  
Is something cold in the air, something just don't feel  
right.  
Oh well god damn, oh man, chicka ah.! Chicka ow ow.  
Oh ma how nice of you to disregard all I do, do.  
Sing sex songs, love is in the house this ain't the fool  
do.  
Saying it's a visitor, I'm saying It's a visitor.

Strange love, strange misery  
Strange days are definitely gone with the morning.  
Strange hearts beat so strangely.  
Was I right, Was I wrong, Was it you all along.  
(Love is strange)

A Girl went to Africa, said two demons were after her.  
(her)  
And I don't like harassing her, so I took a breathe  
without asking her. (her)  
I took a good laugh with her, left flowers in the bed &  
bath for her.  
With a note I resumed a massacre. Took, took right off  
after her. (her)  
A fall approaches, something starts to reek for  
soldiers.  
I can smell the sex as we cross over.  
Sweet loves Bliss rocky bolders.  
We smash fists then brush shoulders.  
She's my gift, I'm vise versa.  
The more she gives we get closer.  
I don't read minds I read hearts.

Strange love, strange misery  
Strange days are definitely gone with the morning.  
Strange hearts beat so strangely.  
Was I right, Was I wrong, Was it you all along.  
(Love is strange)

Six days, five months, we searched but no luck.  
No den and no lunch, it's funny how something's don't  
mean much.  
The pic's in my phone, hotel says your not home.  
And she leaves me to just Rome, on that day without  
knowing.  
Who you are, who you are, felt a lil loser.  
But do I have to stalk you.?  
Hey, you know some guy named mark?  
Who flew from the sky to reincart you?.  
In the basement and he brought you.  
The floors down, I'm in court now.?  
I'm yours now, I'm yours now.

Strange love, strange misery  
Strange days are definitely gone with the morning.  
Strange hearts beat so strangely.  
Was I right, Was I wrong, Was it you all along.  
(Love is strange)
