VERSE ONE:

Chimaroke Abuachi -

Like wolves and their sharp ass teeth

I was never meant to involve your beliefs

Their rules are beyond you leash

You were more meant to evolve like freaks

Yea! Seems now your needs do apply more to the ooze

I secrete

My tools are within your reach

You can't even hide from the claws I release

CHORUS ONE:

A time will come when you will say

We rearranged your mind

VERSE TWO:

Mark Hoy -

These are the monsters inside your mind

Breed in your thoughts and they're keeping you blind

Molding your soul they will bleed and deplete

All that you hold until you're cold and you're weak

Evil deceitful whisper in your ear

Claw through your brain in control of your fear

Flowing through your veins and eternally remain and

forever will be fed because their feeding from your
pain

CHORUS TWO:

When all is done

You will agree

And finally say

That your mine
