Lights on:

(Chimaroke Abauchi) verse 1:

Lights on so it's time to go  
On so bright that its time to leave  
Shutting down  
It ain't nothing to me  
The party won't stop cause its time flow  
Dip out, there's no time to waist  
2am they won't let me drink  
Freestyle on the way, we on the road  
5,0's out but we in control  
Bass up, you already know  
Until we get there cause that's how we roll  
Touchdown, post up,  
Everybody there but keep it on the low  
Please believe till late a.m. its on but it's lights off,  
lights off till then

Bridge:

Just like your favorite song  
You'll all remember me  
Tonight the way you are  
Involves the melody  
Just like your favorite star  
Just watch and never leave  
Until the lights come on

Chorus:

(Return of the lights on!  
They turning the lights on)x4

(Mark Hoy): verse 2

Sun goes down  
We arise  
Street lights  
Night life  
Never slow down for the right time

Take a look around for the right vibe  
Shakin'™ off work week roundup time to  
Find a better place relieve my stress  
Bought a new fit so the girls impressed  
Take look around round for the space well drop  
Place to stop  
Stage to rock  
Find them anywhere that the microphone hot  
Turn the lights on  
Kick'em out  
It ain't even phasing them  
They can transform empty parking lots into stadiums  
With the car doors open  
Beats bumpin  
Freestyle  
meanwhile  
plans stay open

Last chorus:  
(Return of the lights on)x8
