*What We Got

Have a taste of what we got
Have a taste a little taste
Have a taste of what we got
Have a taste you know it's really good.

(Mark Hoy): verse 1

Developed the remedy to serve it heavily on a silver
platter without a
Doubt it's gonna taste heavenly
An award winning recipe
Rhythm mixed in with melody
Combine it with rhyme and a heavy dose of some
energy
You'll never be the same
Once you've had a taste
Your appetite will change fiendin' for what we create
The band is a sous chef
And we're your maitre d's
Our purpose is providing some of the finest verbal
specialty.

Bridge:

We only wanna make'em say
This time it's gonna blow your mind
Won't have it any other way
We gon' set up serve it on a silver platter

(Chimaroke Abauchi):Verse 2:

We be the needle injecting to these people
Notice my styles unique like Tarantino's
Oh, although the evil comes whenever he flows
Be more like Lois Lane, she loves superheroes
Flip like a bird and flock off, you want a meal?
You craving something ill? Well I'm rocking like a
Beatle
(Oh although the ego goes wherever he goes
Oh although the ego goes wherever he goes)
I like Cristina cause she had pretty hair

Because she cut it off not caring if they cared
My kind of inspiration
A little motivation for this insane in the brain, I need
medication say
Ohhh...

We gone set up, serve em on a silver platter)x2
