It's time for you to believe 'cause you're all he's got  
You're all that seems to work  
And it's obvious that there's something right  
But tearing at the seam is the dying boy inside

It's not the re-occurrence of any other pain  
That makes a man feel so ashamed  
It's like the weight of the world's on your spinal cord  
'Cause we were meant for more

Withstand this tragedy  
Give me a new breath with a new heartbeat  
Withhold your apathy  
'Cause the enemy is hiding down below  
And far beneath our cities (Yea they're far beneath our  
cities)

Just don't forget, just don't forget everything  
And it's obvious that, it's obvious that  
The pressure is building, is building  
We live alone, we live alone, alone  
(Let your head do the thinking and your heart do the  
speaking)

Courage, these walls can't hold you  
Honesty, it's time for a breakthrough  
This chain of events will cost more than your dollars  
and cents

Maybe you've seen the light but it's old news  
Maybe you've lost connection, affection, obsession

The competition begins when you want it to, want it to  
end  
And the fight doesn't care who wins, who wins  
So we believe in a love that breeds  
Forgiveness to all who have sinned

A young heart has the room to grow, to truly love and  
bare the soul  
Aren't we all but fragile ones quick to fear and scared  
to love?

Withstand this tragedy  
Give me a new breath with a new heartbeat  
Withhold your apathy  
'Cause the enemy is hiding down below  
And far beneath our cities (Yea they're far beneath our  
cities)
