"I Have Found"

Visit "[I Have Found](#)" on MotoLyrics.com

Verse 1 I have loved. I have lost. I have found the real me! After all this time just you and me! It took so long but there you are in front of me!

Refrain I have loved. I have lost. I have found the real me! Yeah! Yeah!

Verse 2 I have finally seen your world through my eyes! Even though we come from different worlds! We can unite with our love!

Refrain I have loved. I have lost. I have found the real me! Yeah! Yeah!

Verse 3 Some how we made our way through the days! Now we must go our separate ways! Even though college is coming will live out every day til the end of summer! The fun times have ended off we go til then Good Bye!

Refrain I have loved. I have lost. I have found the real me!

Verse 4 I have been looking for him I have found him with another girl! I start to cry! I think I was so confused and now its clear! Our love only lasted one year!
