You said you loved me way too soon  
Gave me the sun when all I wanted was the moon  
Never out your sight  
Holding my hand just a little too tight

Sipping on your beer count  
Waiting for an answer  
Wish that we could slow down  
You want to go faster

You said you loved me way too soon  
You know me 24 days, so how can that be true?  
You don't know my mind  
But then again nor do I

But you made me smile  
A lot

Oh whoops  
I think I miss you, too late  
Coz I got rid of you  
I think I might have got this wrong  
I'm sorry but I didn't know you were the one

Oh no  
I got so scared  
Convinced myself that I didn't really care  
Now I know that you're the one  
I'm sorry that I've been so dumb

Dumb, dumb, dig-a-dumb-dumb  
Dumb, dumb, dig-a-dumb-dumb  
Dumb, dumb, dig-a-dumb-dumb

I'm sorry that I've been so dumb

I miss you calling late at night  
Waking me up just to see if I'm alright  
Missing all the PDAs  
Even when you know it's not the time or place

Swallowing my pride now, Waiting for an answer  
Promise you the next time I'll try a little harder  
Now I know where I went wrong  
Do you ever really know what you've got until it's gone

I'll stay by your side  
Through the rain and shine  
Coz you make me smile  
A lot

Oh whoops  
I think I miss you, too late  
Coz I got rid of you  
I think I might have got this wrong  
I'm sorry but I didn't know you were the one

Oh no  
I got so scared  
Convinced myself that I didn't really care  
Now I know that you're the one  
I'm sorry that I've been so dumb

Dumb, dumb, dig-a-dumb-dumb  
Dumb, dumb, dig-a-dumb-dumb (sorry that I've been  
so)  
Dumb, dumb, dig-a-dumb-dumb

I'm sorry that I've been so dumb

I don't care, I'll wait oh yeah  
Not gonna move from your front door  
Just calm down, here me out  
Starting from now I'll never let you down

And I'll stay by your side  
Through the rain and shine  
Because you made me smile  
A lot

Oh whoops  
I think I miss you, too late  
Coz I got rid of you (too late)  
I think I might have got this wrong  
I'm sorry but I didn't know you were the one

Oh no  
I got so scared (so scared)  
Convinced myself that I didn't really care (really care)  
Now I know that you're the one (know that you're the  
one)  
I'm sorry that I've been so dumb (that I've been so)

Dumb, dumb, dig-a-dumb-dumb (dig-a-dumb-dumb)  
Dumb, dumb, dig-a-dumb-dumb (dumb)  
Dumb, dumb, dig-a-dumb-dumb

I'm sorry that I've been so dumb (dumb)

Dumb, dumb, dig-a-dumb-dumb (I'm sorry that I've  
been so)  
Dumb, dumb, dig-a-dumb-dumb (I'm sorry that I've  
been)  
Dumb, dumb, dig-a-dumb-dumb

I'm sorry that I've been so, dumb
