"Out Of My Mind"

I've been walking around for days
Asking myself in so many ways
'Why did I have to fall?'
Cos your the other side of the world
And I am here all alone
Just trying to make sense of it all

My friends think I'm going mad
They say that I'm breaking down
But they don't know

I'm not crazy
Is just that lately
I'm out of my mind
Cos someone's changed me
It's like the turned off the light

You can say what you want about me
But you will never see the way that I see
You can try and bring me down
But you can't reach me
Cos I'm already torn so far apart
And I know I'm taking this hard
So don't you tell me that love ain't easy

Cos I'm not crazy
I'm just out of my mind

Before you came in my life I was fine
And now I just want to rewind
Back to when I could carry on
Now I guess that the time couldn't last
It all just happened so fast
You were next to me
Then you were gone

You say that I'm losing it all
They tell me I'm insane
But they don't know

That I'm not crazy

Is just that lately
I'm out of my mind
Cos someone's changed me
It's like the turned off the light

You can say what you want about me
But you will never see the way that I see
You can try and bring me down
But you can't reach me
Cos I'm already torn so far apart
And I know I'm taking this hard
So don't you tell me that love ain't easy

Cos I'm not crazy
I'm just out of my mind

I'm just out of my mind
Yeah

Cos I'm not crazy
Is just that lately
I'm out of my mind
Cos somebody's changed me
It's like they turned off the light (x2)
