Sweet sweet dreams, don't fail me up
Half way seems, not enough
To be the missing pieces
That i can't give myself
Cause when i look around
At everyone else

I feel like i'm the only one
Who's never fallin' in love
Maybe i'm the only one
Who feels this lost
I try to be strong, when i don't belong
In my world of worries, worse up
Give me courage to believe, i'll find
My prince, and not in disguise

yeah, oh

I hide myself, beyond the pale
To shield my face, to scared to fail
To be the missing pieces
That you can't give yourself
Cause when i look around
At everyone else

I feel like i'm the only one
Who's never fallin' in love
Maybe i'm the only one
Who feels this lost
I try to be strong, when i don't belong
In my world of worries, worse up
Give me courage to believe, i'll find
My prince, and not in disguise

oh oh, mmm, oh oh

I feel like i'm the only one
Who's never fallin' in love
Maybe i'm the only one
Who feels this lost

Baby i'm the only one

Who's never fallin' in love
Maybe i'm the only one
Who feels this lost
I try to be strong, when i don't belong
In my world of worries, worse up
Give me courage to believe, i'll find
My prince, one day i'll find
My prince, and not in disguise
