Open hearts, open eyes  
Open scars that are left upon  
Open minds

Sacred words sacrificed  
Storytellers exaggerate  
Shallow lies

After the hurt has gone away  
Oh, will we feel the pain?  
After the storm begins to turn  
Oh, will we ever learn?

Open doors, open books  
Tragic stories repeated still  
Overlooked

Chase the wind, catch a breath  
Watch a child when it falls  
Helplessness

After the hurt has gone away  
Oh, will we feel the pain?  
After the storm begins to turn  
Oh, will we ever learn?

It's never too late to say a prayer  
It might be all we got to share  
There's always a hope that someone's there

Don't confirm unless it's sure  
Don't pretend to know a cure  
Don't convince the world you're right  
Don't deny you've never lied

After the hurt has gone away  
Oh, will we feel the pain?  
After the storm begins to turn  
Oh, will we ever learn?

After the hurt has gone away  
Oh, will we feel the pain?

After the storm begins to turn  
Oh, will we ever learn?

Oh, will we ever learn? Yeah  
Oh, will we ever learn?
