I can't believe the things that happen to me  
I guess that I should have seen a long, long time ago  
Letters you write don't help me get through the night  
So I'll just turn out the light and sleep here all alone

All the love, all the love in the world  
All the love, I'll be sending you girl  
All the love  
All the love in the world

Time after time I put my life on the line  
But I ain't committed no crime, so take what you can  
find  
Forget what I say 'cuz I'll keep running away  
I only live for today but I'm one day behind

All the love, all the love in the world  
All the love, I'll be sending you girl  
All the love  
All the love in the world

These are the words that I whisper on every first night  
That day you left me, those words were on that same  
flight

I can't believe the things that happen to me  
I guess that I should have seen a long, long time ago  
Letters you write don't help me get through the night  
So I'll just turn out the light and sleep here all alone

All the love, all the love in the world  
All the love, I'll be sending you girl  
All the love, all the love in the world  
All the love, all the love in the world
