For You  
The Outfield  
I'm so sad, feeling blue.  
Since you left,  
I've been missing you.  
Need your love, Oh so bad,  
Realize everything we had.

Chorus:  
All day, all night  
You can have it anyway you want it.  
One love, so right.  
Don't you know that I live my life for you?

I was wrong, my mistake.  
I regret, look at the price I paid.  
Take these words, understand.  
Try forgive me,  
I'm a broken man.  
Chorus

I'm so sad, feeling blue.  
Since you left, I've been missing you.  
Take these words, understand.  
Try forgive me,  
I'm a broken man.

Chorus 2X

For you,  
You can have it anyway you want it.  
For you  
For you
