

## The Outfield "Going Back"

Visit "[Going Back](#)" on MotoLyrics.com

I'm just a fool, no disguise  
I still get hurt same old pride  
But growing older, I've realized  
There's not a place in my life tonight

I ain't gonna leave this town no more  
I'm sorry for the times that I did before  
I'm going back to where my heart came from  
I ain't gonna leave this town again  
I'm sorry for the things I did but then  
I didn't realize where I belonged

Shakin' the blues every night  
Been all alone, no surprise  
Don't you forget me, I'm so blind  
I'm coming back one more time tonight

I ain't gonna leave this town no more  
I'm sorry for the times that I did before  
I'm going back to where my heart came from  
I ain't gonna leave this town again  
I'm sorry for the things I did but then  
I didn't realize where I belonged

If these streets were empty  
With nothing to see  
You could take me from this town  
Oh, but you won't take this town out of me

Too many years can't forget  
So many dreams ain't done yet  
An' all of these memories still the same  
I'm going home and I'll remain unchanged

I ain't gonna leave this town no more  
I'm sorry for the times that I did before  
I'm going back to where my heart came from  
I ain't gonna leave this town again  
I'm sorry for the things I did but then  
I didn't realize where I belonged

I ain't gonna leave this town no more

I'm sorry for the times that I did before  
I'm going back to where my heart came from  
I ain't gonna leave this town again  
I'm sorry for the things I did but then  
I didn't realize where I belonged
