(j. spinks)

For once Â in my life  
Well I wished that i  
Could just say what? s on my mind  
But I'm afraid  
In case the words don't come out right  
And if Â I should try  
Do you think that you would understand me?

Oh oh oh maybe it? s a crime what i? m thinking  
Don? t you wanna know why  
Baby it? s a crime what i? m thinking

Well i? ve tried Â so hard  
And I wished that I could just get the moment right  
But everytime Â there? s always someone in this room  
And so Â tonight  
If I get the chance Â i? ll share my secret

Oh oh oh maybe it? s a crime what I'm thinking  
Don't you wanna know why  
Baby it's a crime what I'm thinking  
Oh i? m Â just like  
Any other man Â I just want the best out of life  
But in the end Â I know I'll take what I can get  
If I Â should try  
Do you think that you would stand beside me?

Oh oh oh maybe it? s a crime what i? m thinking  
Don't you wanna know why  
Baby it's a crime what i? m thinking

Oh, won't you stand by my side  
Just a little bit longer  
Just a little bit longer  
Oh Â for just once in your life  
Stand by me Â stand me

Just a little bit longer Â just a little longer  
Just a little bit longer Â just a little bit  
Come on baby come on baby
