

The Outfield "Moving Target"

Visit "[Moving Target](#)" on MotoLyrics.com

I don't wanna spend the rest of my life living for the
night
I don't wanna spend the rest of my time hiding when I
know I'm right
Don't wanna wake up in a cold sweat praying for the
day to come
Don't wanna chase my tail until my legs are old and
gone

I'm like a target always on the run
A moving target while the day is long
No need to shoot me down my time will come
It won't be long, it won't be long

I don't wanna spend the rest of my life like a story
from a book
I don't wanna be afraid when people start to look
I don't wanna have to say that I'd rather be alone
I don't wanna have to change so much, I'm someone I
don't know

I'm like a target always on the run
A moving target while the day is long
No need to shoot me down my time will come
It won't be long, it won't be long

I'm like a target always on the run
A moving target while the day is long
No need to shoot me down my time will come
It won't be long, it won't be long

I'm like a target always on the run
A moving target while the day is long
No need to shoot me down my time will come
It won't be long, it won't be long
It won't be long, it won't be long
