Got a letter from a mystery man
In between the lines, he don't understand
He's on a mission in Mozambique
The room is wired and I just can't speak

In the middle of it all, he can waste no time
In the middle of it all, he just says goodbye, goodbye

Got to get there just as fast I can
A pink carnation on a mystery man
A rendezvous in Romania
Double agents in Australia

In the middle of it all, he can waste no time
In the middle of it all, he just says goodbye, goodbye

In the middle of it all, he can waste no time
In the middle of it all, he just says goodbye, goodbye
In the middle of it all, he can waste no time
In the middle of it all, he just says goodbye, goodbye
