(j. spinks)

I'm Â out of my head
You Â won't understand me

Don't come knocking at my door tonight
Tell all my friends Â i? m all screwed up
Don't come messing with my head tonight
Tell all my friends Â I'm so far out to lunch

I? m Â under a spell
You Â won? t recognize me

Don? t come knocking at my door tonight
Tell all my friends Â I'm all screwed up
Don't come messing with my head tonight
Tell all my friends Â I'm so far out to lunch
I'm out to lunch Â mmm Â won't you listen Â I'm to lunch

Hey Â just let me sleep
Please Â don't pressurize me

Don't come knocking at my door tonight
Tell all my friends Â I'm all screwed up
Don't come messing with my head tonight
Tell all my friends Â I'm so far out to lunch
Don't come knocking at my door tonight
Tell all my friends Â I'm all screwed up
Don't come messing with my head tonight
Tell all my friends Â I'm so far out to lunch

I'm Â out of my head Â I'm out of my head
