She no lady
One bad girl
She go crazy
Private world

I can hear the people talkin'
From a million miles away
I don't care what they've been thinkin'
I don't care what they'll say

She's so unrespectable
Unrespectable

She's so easy
Got no class
Good time baby
Love don't last

I wake up in the morning
Don't believe the things I said
I never walk the streets with you, girl
I wouldn't kick you outta bed

She's so unrespectable
Unrespectable
So unacceptable
Unrespectable

She still shake me
Night and day

Never learnt her lesson
Still treating her the same
Like any Mona Lisa
She ain't never gonna change, no

She's so unrespectable
Unrespectable
Unacceptable
Unrespectable
