I'm closing up, I'm closing in
Couldn't wait for this moment to come
Couldn't wait for this day to begin

Won't be afraid, got so much pride
And I've never been a loser
And I just can't lose tonight

Winning it all, ain't gonna walk away
Giving it all, no matter what you say
Ain't gonna fall, don't wanna lose today, ooh
Winning it all

This time it's right, my time has come
Gonna give everything that I've got
Till it's over and victory's won

No second chance, no giving up
Because no one remembers a loser
And I don't intend to be one

Winning it all, ain't gonna walk away
Giving it all, no matter what you say
Ain't gonna fall, don't wanna lose today, ooh
Winning it all

Winning it all, ain't gonna walk away
Giving it all, no matter what you say
Ain't gonna fall, don't wanna lose today, ooh
Winning it all

Winning it all, ain't gonna walk away
Giving it all, no matter what you say
Ain't gonna fall, don't wanna lose today, ooh
Winning it all

Winning it all, ain't gonna walk away
Giving it all, no matter what you say
Ain't gonna fall, don't wanna lose today, ooh
Winning it all
