Verse One:

Another day
From the start
Oh no my dream guy
Is gone now

So many things
Make me smile
Caught in your love
Is my secret now

Clarity speaks
My mind has an opinion
That heâ€™s just somebody
That will break my heart

Chorus:

The wretchedness
From your fondness
I thought I was in love
But I knew it was a mess
Baby you make me feel
Like the best girl ever
But wretchedness baby
Is not my thing forever

Verse Two:

I donâ€™t know what
If I should leave
Because that last kiss
Made me so weak

Your perfect smile
My temperature rose
Holding your hand
Was what I wanted more than gold

Clarity speaks
My mind has an opinion
That heâ€™s just somebody
That will break my heart

Chorus:
The wretchedness
From your fondness
I thought I was in love
But I knew it was a mess
Baby you make me feel
Like the best girl ever
But wretchedness baby
Is not my thing forever
