Leave yo chick breathless, im never restless, diamonds

pounds

look here boy, i aint really feeling you
and yo head will get clashed like cyllables

scannin threw my field, see haters in my visual
wack you in the head, leave yo boy unconditinal
laughin at yall cus yall so pitiful
fidna get critical, for every individual
came with two swags, upgraded and original
5 g's in my pcket, thats just the minimum
rackson racks, adding for additinal
put on for my city, so im staying posistinal
subtract yo head, do you get the divisible?

my flow wetter then a over flowed size swiimin pool
take yall to school, teach yall the recipicals, take out
the smaller or the bigger fool
