VERSE

Were you restless
Do you ever sleep at all
I heard you pacinâ€™™ all night up and down the hall
You kept me tossinâ€™™ and turninâ€™™
Prayinâ€™™ youâ€™™ d lay down and go to sleep

Were you lonesome
I thought I heard you call my name
This nightly routine, is drivinâ€™™ me insane
Youâ€™™ ll never take the place of her
So why donâ€™™ t you move on And rest in peace

CHORUS

Your just a ghost of a love thatâ€™™ s dead and gone
A cold shadow on these walls
A memory that keeps hanginâ€™™ around
To watch my teardrops fall
Everywhere I go, Iâ€™™ m never alone
With a ghost of a love thatâ€™™ s dead and gone

VERSE

I know that perfume
You leave to linger in the air
Take off her black dress
It wasnâ€™™ t bought for you to wear
Your just a haunting reminder of the one who no longer
lives for me

CHORUS

Your just a ghost of a love thatâ€™™ s dead and gone
A cold shadow on these walls
A memory that keeps hanginâ€™™ around
To watch my teardrops fall
Everywhere I go, Iâ€™™ m never alone
With a ghost of a love thatâ€™™ s dead and gone

REPEAT CHORUS THRU FADE
