Back in the room
Ready to rock the world with the boom

So I hope you can stand the vibration
Cuz we're about to rock the entire nation
Alright, Here we go

Girl your ???-e is so round
Let me look you up and down

Can I take you one more time?
I won't stop until you're mine

But If I cannot be with you
Maybe I could have a taste

Put your arms around me girl
and you kisses on my face

Boom Boom Boom,
Now let me hear you say Wayo!
Wayooo!!

I said, Boom Boom Boom,
Now everybody say Wayo!
Wayooo!!

Here comes the brother with the off beat flow
I just fell from the mothership
Out There Brothers 'bout to rip out on another tip
Slip, don't trip
Check out how I do it
Snaps in the house
I turn your body into fluid
As I come from the depths of doom
I step back ratch-BLAOW!!! off the boom
