Now hear this

This is the Outhere Brothers

Back in the room

Ready to rock the world with the boom

So I hope you can stand the vibration

Cuz we're about to rock the entire nation

All right here we go

I said Boom boom let me here you say way-ooh (way-ooh)

Me say boom boom now everybody say way-ooh (way-ooh)

Boom boom let me here you say way-ooh (way-ooh)

Me say boom boom now everybody say way-ooh (way-ooh)

Boom boom let me here you say way-ooh (way-ooh)

Me say boom boom now everybody say way-ooh (way-ooh)

Boom boom let me here you say way-ooh (way-ooh)

Me say boom boom now everybody say way-ooh (way-ooh)

Girl your booty is so round Let me look you up and down

Can I take you one more time I won't stop until your mine

But if I cannot be with you maybe I could have a taste Put your arms around me girl and your kisses on my face

Boom boom let me here you say way-ooh (way-ooh)

Me say boom boom now everybody say way-ooh (way-ooh)

Boom boom let me here you say way-ooh (way-ooh)

Me say boom boom now everybody say way-ooh (way-ooh)

Girl your booty is so round Let me look you up and down

Can I take you one more time I won't stop until your mine

But if I cannot be with you maybe I could have a taste Put your arms around me girl and your kisses on my face

Geronimo look out below

Here comes the brother with the offbeat flow I just fell from the mother ship

Outhere brothers about to rip it on another tip
Slip don't trip out how I do it malik is in the house
I turn your body into fluid as I come from the depths of doom

I snap back like pow with the boom

Boom boom let me here you say way-ooh (way-ooh)

Me say boom boom now everybody say way-ooh (way-ooh)

Boom boom let me here you say way-ooh (way-ooh)

Me say boom boom now everybody say way-ooh (way-ooh)

Boom boom let me here you say way-ooh (way-ooh)

Me say boom boom now everybody say way-ooh (way-ooh)

Boom boom let me here you say way-ooh (way-ooh)

Me say boom boom now everybody say way-ooh (way-ooh)

Boom boom boom let me here you say way-ooh (way-ooh)
