WHEN I WAKE UP IN THE MORNING, YOU GO FAR  
and going everywhere you wants  
i think thats your my princess forever  
buts i were mistake because you lied  
so i cooking over twentyfour hours  
and waiting for you to come home my love  
buts i wish you were in your partner  
buts i mistake you go out with a guys  
CHROUS  
i will always love you  
always love you my love  
there no one like you in the earth  
buts i wish you love me more than i  
so when you lied im like nothing  
but i will love you  
whatever story i heard about you  
and i feel stuck like a glue  
WHEN I WERE CALLING YOUR PHONE  
its was dead because you live its besideand you care  
about your love ones  
but its ok babe that i will be got  
so you think that im grazy to not jealous around  
because i give you all my heart  
i wish you here so i kiss your heart  
so you my love can feel my love  
CHROUS  
i will always love you  
always love you my love  
im feel like a glue ohhhhhhhhhhhhhh  
ohhhhhhhhhhhhhhhhhh  
nononononono  
i love you more  
forever and ever stuck like glue
