Don't want nothin fancy  
Don't need nothin new  
Nothing too expensive  
Just a sinful life with you  
Give me something borrowed  
I'll buy you something blue  
I'll trade this life of sorrow  
For a sinful life with you  
Chorus:  
Sinful life -- a sinful life with you  
No promises of paradise  
Just a sinful life with you  
Sinful life -- a sinful life with you  
No promises of paradise  
Just a sinful life with you  
Marley was a Rasta  
Moses was a Jew  
Jesus was an outlaw  
Just like me & you  
Let love be our religion  
Until this life is through  
The next best thing to heaven  
Is a sinful life with you  
Sinful life -- a sinful life with you  
The next best thing to heaven  
Is a sinful life with you  
Sinful life -- a sinful life with you  
The next best thing to heaven  
Is a sinful life with you  
Chorus
