What did that bad man put in you?
Did those rotten kids cross a line?
I'm afraid I'll never understand baby,
I'm so sorry you had such a bad time.
Well I've done some truly awful things
And you must be very terrified
Well you have every reason to be frightened
Since you been reading my mind
Who am I to deny this moment
And who am I to even question it?
There is a cross on a mountain baby
There is a cross glowing over your head
Please break this spell you have me under
Every heart is a lonesome hunter
Please break this spell you have me under
Every heart is a lonesome hunter
Sparrows at your window

Starlings at your door
Magpies wherever we go
Is it blackbirds forevermore
Well I'm standing holding my head
And I'm staring through a hole in your head
And I been feeling like a zombie baby
I am a zombie coming slow to your bed
Who am I to deny this moment
And who am I to even question it?
There is a cross on a mountain baby
There is a cross glowing over your head
Please break this spell you have me under
Every heart is a lonesome hunter
Please break this spell you have me under
Every heart is a lonesome hunter
Is a lonesome hunter
Is a lonesome hunter
Every heart is a lonesome hunter
