Scene of the crime  
A body in the bed  
One victim died  
& one victim fled  
A slave to desire  
The pain of rejection  
Too much sex  
& not enough affection  
Read it in the paper  
Or watch it on TV  
Cry for a stranger  
Then turn your back on me  
Try another line  
& still no connection  
Too much sex  
& not enough affection  
Chorus:  
That's one way to go  
But it ain't no way to live  
That's one way to go  
But it ain't no way to live  
It's too much to take  
& not enough to give  
Too much  
& not enough  
Scene of the crime  
A body in the bed  
One victim died  
& one victim fled  
He never got caught  
But he lost his re-election  
Too much sex  
& not enough affection  
Chorus
