Timeflies Tuesday
"Taylor"

We are never ever ever, getting back together
We are never ever ever, getting back together
You go talk to your friends, talk to my friends, talk to me
But we are never ever ever ever, getting back together

You're on the phone with your boyfriend he's upset
He's going off about something that you said
He doesn't get your humor like I do
I'm in the room it's a typical Tuesday night
Im listening to the kinda music he doesn't like
And he'll never know your story like I do

Ooo, ooo oo oo oo,
We called it off again that night
But ooo, ooo oo oo oo,
This time, I'm telling you, I'm telling you

I wish I was strong enough to lift not one but both of us
Someday I'll be strong enough to lift not one but both
of us

Walking the streets with you and your tight ass jeans
I can't help thinking this is how it ought to be
Laughing on the park bench thinking to myself, isn't
this easy?
You've got a smile that could light up this whole town,
Haven't seen it in a while since he brought you down
Say your father know you better than that, hey what you
doing with a boy like that?

Ooo, ooo oo oo oo,
We called it off again that night
But ooo, ooo oo oo oo,
This time, I'm telling you, I'm telling you

I wish I was strong enough to lift not one but both of us
Someday I'll be strong enough to lift not one but both
of us

We were both young, when I first saw you
I closed my eyes, the flashback starts, I'm standing

there, on the balcony of summer air
See the lights, see the party, the ball gowns
I see you make your way through the crows and say
"hello"
Little did I know

I'm telling you, I'm telling you

I wish I was strong enough to lift not one but both of us
Someday I'll be strong enough to lift not one but both
of us
