oh,
i like crazy, foolish, stupid
party going wild, fist pumping
music, i might lose it
blast through the roof,
that's how we do's it, do's it, do's it
i don't care tonight, she don't care we like
almost dared the right five
ready to get live, ain't no surprise
take me so high, jumping nose dives
surfin the crowd like
oooh

said i gotta be the man
when they head in my van, mic check one two
shut em' down in the club while the playboy does it
till they get loose, loose
after bottle, we all get bent and again tomorrow
gotta break loose cause its the motto
club shuts down, a hundred super models

hey i heard you were a wild one
oooh
if i took you home
it'd be a home run
show me how you'll do
i wanna shut down the club
with you
hey i heard you like the wild ones, wild ones
oooh

party rocker, official stopper
more chambo
never one, club popper
got a hangover like too much vodka
can't see me with ten binoculars
so cool
no doubt by the end of the night
got her clothes coming off
then i make that move
somehow, someway, gotta raise the roof, roof
all black shades when the sun come through

uh-oh
it's on like everything goes
wild n' out baby to the freakin shows
what happens to that body is a private show
stays right here p-p-private show
i like em' untamed, dont tell em' my pain
tolerance, bottoms up with the champagne
my life cause i heard it, than we hit play
to be busy, when we there we get insane

hey i heard you were a wild one
oooh
if i took you home
it'd be a home run
show me how you'll do
i wanna shut down the club
with you
yeah i heard you like the wild ones, wild ones
oooh

girl your a wild one, ride you in
saddle you up and lets begin
and i am a wild one, tame me now
running with wolves
and im on the prowl
show you another side of me
a side you would never thought you would see
tear up that body
dominate you till you've had enough
yeah
i heard you like that wild stuff

hey i heard you were a wild one
oooh
if i took you home
it'd be a home run
show me how you'll do
i wanna shut this club down
with you
hey i heard you like the wild ones, yeah
oooh

baby im feelin so wild now
baby i-, we could settle down
yeah
i know you like to mess around
yeah
i just wanna find you now
its how we go, its how we are
its how we live, we take it too far
on this day we could shut it down

show me what you do
yeah, lets get wild now

i heard you like the wild ones...
