Guess who's back... Guess who's back... Guess who's back... Guess who's back... Guess who's back... Guess who's back... Guess who's back...

Guess who's back, same cred like Brittany Spears no shaved head.

No backup no cave bed and you could do what I'm doin, I'm stayin ahead.

And I see you. Yo playa, no Arnold Schwazenegger. You could get it when I get it when I'm rhymin that tryna back and I'm tellin' you that I'll be back and I pick it and I play the pool like Billy Madison I'm back to school, and I've been doin my thing when I'm holdin out but I'm tellin you girls that I'm back to cool. And I know when I see that, and you see that I'm in damn and I'm gettin like that 18 and I'm back like Peyton Manning and I... Guess who's back....

Chorus

Back with a vengeance, know what I is. Do it everything you want when I get like yea when I do it like Mickey D's and those golden arches you get like the McRib.

Say Rez did you write this? I've been flowin everything and despite this I'ma get it when the pain and I'ma look back on the track and say damn did I mic this? I'ma get it the iLock baby I rock and flow logical like I'm spock. And I'm Simba like I'm comin home and I'm returning back to the pride rock. And you get it and that scarred for life. Get it when you get it when you start it right. I'ma tell you that's the pain and I'm back yea baby go ahead and start your night.

Chorus

Leme get while I got this, this boot well leme drop this cuz I been there pickin' these topics. And my mind baby you can't stop this. And I've been missin this mic, missin this view, missin this time while I'm missin with you when I do it like baby I bleed cuz i got this one night and that's all I need.

Chorus
