I ask for patience  
Something to regain a life in me

I don't mind living  
but I keep struggling, struggling  
From all the waiting  
I see someone promised me a life so free  
and now I'm jaded  
And my walls are crumbling, crumbling  
So I say

I won't give up on my heart  
won't give up on my love  
know the feeling in my belly it must count for  
something  
So I take it to the end  
Forever's not enough  
I go on till it stops

So lay it on me  
While the fire inside is burning oh so brightly  
Keep burning on  
Say it with me  
Take the dream out of the head and hold it tightly  
You're not alone  
You're not alone

(not alone, not alone, not alone)

Said you're not alone

(not alone, not alone, not alone)

I'm not impatient  
Just tryin' to play my place in history  
If that means waiting  
Then it's my destiny, meant to be  
The road ahead of me, shines a little light on my story  
But will I make it  
I feel something's telling me, telling me  
That I can

I can't give up on my heart  
can't give up on my soul  
know the feeling in my belly it must count for  
something  
So I take it to the end  
never fear the fall  
Gonna go until it stops

So lay it on me  
While the fire inside is burning oh so brightly  
Keep burning on  
Say it with me  
Take the dream out of the head and hold it tightly  
You're not alone  
You're not alone

(not alone, not alone, not alone)

Said you're not alone

(not alone, not alone, not alone)

Said you're not alone

(not alone, not alone, not alone)

Said you're not alone

(not alone, not alone, not alone)

Oh

T-t, t-t,  
ha, t-t-t-t times red  
times r, yeah  
times r, ugh-r, ugh-r

So lay it on me  
While the fire inside is burning oh so brightly  
Keep burning on  
Say it with me, yeah  
Take the dream out of the head and hold it tightly  
You're not alone  
You're not alone

Oh

(not alone, not alone, not alone)

Said you're not alone

(not alone, not alone, not alone)

Said you're not alone

(not alone, not alone, not alone)

Said you're not alone

(not alone, not alone, not alone)
