People starring in their own life (eyeh, eyeh)
But I was just a preview (eyeh, eyeh)
Your bringing out the sunshine now
Your shining like a diamond now

[Verse 1:]

This is what you wanted some would even die for
Let him know how he's heart felt this is what you cry for
For you could'ntdream of it, now your feeling closer
Yeah I'm just a ghetto kid, now I'm on a poster
Trying to spend the feeling, heart beats racing
I'm feeling with emotion, excitements, amazing
Tell dem
Weve been ever so patient and now were seeing sights
so were reaching

[Chorus:]

(And now) Looking down from the birdseye
(To shine) Shine on like a floodlight
Show dem, diss ain't nothing like a mistake
This is a risk that we all take
(And now) Your looking down from the birdseye
(To shine) Shine on like a floodlight
Show dem, right nows perfect timing, clocks just don't
slow down

People starring in their own life (eyeh, eyeh)
But I was just a preview (eyeh, eyeh)
The neighbours are open now, the whole crowds
watching now
People starring in their own life (eyeh, eyeh)
But I was just a preview (eyeh, eyeh)
Your bringing out the sunshine now
Your shining like a diamond now

[Verse 2:]

Yo, and it feels like a step away, must be the only way
Yesturday was arms reach, now your fingertips away
Following the back street pressures on, more heat, stay
cool
Don't freeze, now knowing another day show dem,

We ain't gon blow them with a chance,
Remember where we started from the roots to plants,
Treating like it's final, dats why it's vital to focus,
Don't even look away your glance

[Chorus x2]

And now were all healed, were up to the point we can
see over the hills
You can play star, lead role in the films
But don't stand still
Cause your shining like a Diamond now
