Yo I got one or two on my list let me tick em off  
Rochelle from the Saturdays Pixie Lott  
Who would if thought I'd got this far  
And how on earth did his name brand get that large  
Coz I'm a fucking star  
Have you seen my car  
Holly Willoughby you can come around my bar  
I want it all no minimum  
Tinchy the general  
Me and my brother D A P's that's clinical

Oh I was raised a survivor  
Now I'm getting \*\*\* as a fiver  
Rider account now I living  
The fist chance I was given lifer

Estrillo

You've always been my undercover lover  
Nothing like no other  
Tell me to get em all coz em all my lover  
My nana and mu poppa  
From pounds to the dollar  
Negative to positive no longer will I suffer

Dappy

My momma thought I wouldn't make it  
But now she's living in a spaceship  
She said son I'm getting older  
Told her money buys everything  
Would u like a face lift

See I didn't know I would be able to afford  
All these clothes  
Look at where we are  
That's what happens when you make it  
Oho ohohoh ohoh ohoh nananana

Yeah I'm the shit round here  
I use to chill up on the block

Where they pushed on stairs  
I was always tryna get a little kiss off her  
Now she's screamin' beggin' me crimp my hair  
Oh  
Ever since I made it oh  
Vision never faded  
Vex to my right hand man dirt David  
He was like Tinch, maintain it  
Better keep shit running never get constipated

Money ain't a thing forever doubling  
But with out the fans I wouldn't have anything  
Screaming Stryds forever lovin' him  
And I ain't ever bought a ring

Estribillo

All these clothes look at where we are  
That's what happens when you make it

Yo I used to think when I was this poor  
And now I can anything I used to wish for  
If I lost it all to something I would have to cry for waho  
now this is something I would die for

Yo I used to think when I was this poor  
And now I can anything I used to wish for  
If I lost it all to something I would have to cry for waho  
now this is something I would die for

Me I play the keyhole following the plans  
Fresh from the motherland  
See I do it for the seating I do it for the stands  
Now let me see your hands  
Let me introduce you to the band

And I'm the main man  
Building up my following hold it with fans  
Believe than I can  
Now I'm looking for my number 1 fan like Stan  
Uhoh

If only I couldn't tell u how much u changed my life  
See I do it for the seating I do it for the stands  
Now let me see your hands

I couldn't have done this without you all here tonight

See I do it for the seating I do it for the stands  
Now let me see your hands

Dappy
