Hit me hard  
Put your lips on me  
Pull me so off guard  
Smell like rose  
My friends may like how I kiss  
Ohh

Felt so deep  
Everybody note at this  
Though I try to reason  
Baby you are, baby you are

Never seem to met you why I think of love is cheap  
And been question my perception everything is  
rearranged  
And I try to bite it I don't wanna put you through no pain  
When I tell you that I need a man again

Yes, I'm, I'm selfish, I'm selfish  
Can't help it with the party  
Won't be here forever  
Come get me down forever

Hit me hard  
Ohh, yeah!

Girl you're like a summer and it is far away  
Since the day I got the memory of the murder round  
my brain  
And I try to body I don't wanna put you through no pain  
And I'll tell you that I need a man again  
Ohh

I'm selfish, I'm so me  
Can't help it with the party  
Won't be here forever  
Come get me down

Put your lips on me  
Smell like rose  
How I always kiss
