isam bachiri
i don't know how , don't know where to start
i got the call, i know its time to part
before i leave i took my little one to sleep
and then i kissed his lips so gently and said
its okay
waqas
hey yo
we sound so delicious, they should give us michelin
stars
elmoro for you and yours and your grandpapa with
i visited dogs on my donkey cheet aa with
walked through your hood so holla at a playa
need to go back to my love but this is puulling so hard
had to see games above
to find a safe path home, love, kiss, hug, make up and
spend
time in the more of but always remember my love
isam bachiri
as i travel around the world
theres one thing that iÃfÂçâ, -Â™ ll be leaving
thats my heart , my girl is yours
so dont forget
always remember (siempre recuerda)
rest assuerd my love is yours
always remember(till the sun gonna rise)
iÃfÂçâ, -Â™ ll be back in no time
baby always remember
waqas
throw your hands in the sky if you feel the vibe
oh oh oh oh
now put your hands in the sky and wave them side to
side
oh oh oh oh
isam bachiri
its true there,s no place like home
you feel it most , when your love is gone
ooh can you relate, can you imagine being far
away,can you
never thought iÃfÂçâ, -Â™ d feel this way
its okey
waqas

to say it aint easy to be so far away
i hear her teardrop and feel the earth shake
so here i'm s a flying kiss
i send it by the wind
through sms msm all the way to her chin
so weather i'm m rocking the stage in cairo
chilling in karachi now im coming in to chicago
i know that she knows that me no evil
i keep her in mind and heart wherever i go
isam bachiri
as i travel around the world
theres one thing that i'll be leaving
thats my heart , my girl is yours
so dont forget
always remember (siempre recuerda)
rest assured my love is yours
always remember (till the sun gonna rise)
i'll be back in no time
baby always remember
waqas
throw your hands in the sky if you feel the vibe
oh oh oh oh
now put your hands in the sky and wave them side to
side
oh oh oh oh
