As I got up this morning  
U watched me and hoped I'd talk to U  
Even if it was just a few words  
Askin' your opinion,  
Thankin' U for something good that happened, Lord  
But U noticed I was too busy  
Tryin' to find the right clothes matchin' with the right  
shoes and I  
Ran around the house getting ready  
U knew there would be minutes to stop and say hello  
But I still I were too busy  
And at one point I had to wait doing nuttin'  
Then U saw me spring to my feet  
Thought I wanted to talk  
But I ran to the phone  
Called a friend... Wassup!

Ok now it's time for us to talk  
So I find an empty room but hesitation is in my heart  
A look down the hall ...nobody there so I close the door  
Take of my new jacket? Man I can't put this on the floor  
I'm a have this conversation standin' or my jeans will  
get dirty  
Better yet I'm a sit on this chair right here 'cause I feel  
a bit lazy  
Almost forgot to pull the curtains so no one can look in  
And just when I'm about to utter U some words  
Someone steps in  
Embarrassed by the moment  
I jump up and come up with some stupid excuse  
Like I was looking for something  
All while U were watchin' me patiently  
Ready to give more chances  
With the hope  
That eventually at some point I will speak to U

U give me so much  
U wait all day for a nod  
A prayer or a thought  
A thankful part of my heart

To all my moros back home

All day workin' hard  
Struggling all week  
Every dawn standing tall

I know U noticed that before lunch I looked around  
I felt embarrassed to talk to U  
That is why I didn't bow my head  
Glanced 3 or 4 tables over, saw some of my friends  
talking to U  
But I did not, there is still more time left  
Hope that I will talk to U yet, but I  
Went home and seemed as if I had lots of things to do

After that what is on TV  
Suddenly I felt too tired to talk to U  
Fell asleep in no time without a thought for U  
I know it's hard to have a one sided conversation  
Well give me some days to try again and again and  
again

PasÃ© por enfrente de tu casa esta maÃ±ana muy  
temprano  
No me dio ni por llamarte, saludarte lo cual es muy  
extraÃ±o  
Ahora que la luz estÃ¡ apagada estoy pensando  
Si sÃ³lo cuando yo lo necesito conversamos  
O si sÃ³lo cuando temo me haces falta  
A cada instante tu retrato estÃ¡ en mi espalda  
Me equivoco en muchas de cosas  
Y defectos tengo mÃ¡s de cien  
Estoy luchando, tÃº lo sabes bien

*[Translation]*

I came by your house very early this morning  
I didn't stop to call you or say hi, and that's quite  
strange  
Now that the lights are out, I'm thinking  
If we only talk when I need it  
Or if I only miss you when I'm afraid  
I always carry you on my bag  
Any moment you're out of my sight  
I make mistakes in so many ways and  
Faults, I have more than 100  
I'm Struggling, you know I am

Appreciatin' is something I be forgettin'  
Every second, 24/11, I'm a forgetful servant, I gotta be  
prayin' though  
Appreciatin', when suffering, calamities call,  
My soul be hospitalized and all gonna be alright

To all my moros back home  
All day workin' hard  
Struggling all week  
Every dawn standing tall

To all my moros sheddin' tears  
Still greet with warm smiles  
Patiently throughout the years  
Give praise to the most high

To all my moros back home  
All day workin' hard  
Struggling all week  
Every dawn standing tall

To all my moros sheddin' tears  
Still greet with warm smiles  
Patiently throughout the years  
Give praise to the most high

*[Chorus]*
