I will reach my goal
no one has control of my home country, dont front me
fucking iranies sittin n chillin, no one is willin to help the
children
yes im talking bout the billion
my brothers are dying cause the people are lying yeah.

Chorus:
In my land is occupation
the fuck'd up my nation
what's my destination
to much bad vabration

Baloch what is that its an unknown nation
dont make me attack with my tiger vabration
cause they'r tryin to forget an baloch nation
tell me what you'r chasing
beautiful beaches, people eatin peaches
tryin to show what the value of what each is.

My brothes are getting no respect from the iranian
meat heads
if ya wanna come to help my dessertfull nation
which is dead like a badly hurt pation.

Chorus:
In my land is occupation
the fuck'd up my nation
what's my destination
to much bad vabration
