(Running through the barrio, running through the barrio)

When it rains, an angel cries  
Makes me sad, to see tears from the sky  
He had everything a boy ever wanted like money  
Money, power respect and toys fancy enough to flown girls  
Girls wanted to meet ya, guys wanted to be him  
He was a smooth criminal, linking like a corny gangster and a gentlemen locked in one soul

Army, I've lost all control,  
Survival was a thing you really wanna know  
Only family show true love with the thugs  
So comfortable, live life to the full  
Imma nothing but the rap

Running through the barrio, tell me who's next  
Running through the barrio, I tell you who's next  
Running through the barrio, you might be next

Where do we go?  
(Running through the barrio, running through the barrio)  
Leave your whole world blind  
(Running through the barrio)  
Screaming eye for an eye  
(Running through the barrio, running through the barrio)  
It's like this to survive  
(Running through the barrio)

Got angels and demons, fighting on his shoulder  
(Over his mind)  
Use his tongue as his doormat, living life way too fast  
He knew it was coming, think he'd let it happen  
'Cause he was sick of running, hour goes towards the king  
Another normative action nothing special  
Running through the barrio, tell me who's next

Running through the barrio, I tell you who's next  
Running through the barrio, Imma be next

Where do we go?

(Running through the barrio, running through the barrio)

Leave your whole world blind

(Running through the barrio)

Screaming eye for an eye

(Running through the barrio, running through the barrio)

It's like this to survive

(Running through the barrio)

Where do we go?

(Running through the barrio, running through the barrio)

Leave your whole world blind

(Running through the barrio)

Screaming eye for an eye

(Running through the barrio, running through the barrio)

It's like this to survive

(Running through the barrio)

With a children of hope

With the same old song (same old, same old)

But be busy no more

(Running through the barrio, running through the barrio)

?

(Running through the barrio)

Where do we go?

(Running through the barrio, running through the barrio)

Leave your whole world blind

(Running through the barrio)

Screaming eye for an eye

(Running through the barrio, running through the barrio)

It's like this to survive

(Running through the barrio)

Where do we go?

(Running through the barrio, running through the barrio)

Leave your whole world blind

(Running through the barrio)

Screaming eye for an eye

(Running through the barrio, running through the barrio)

It's like this to survive

(Running through the barrio)
