[Bridge:]

Come on come on come on baby baby come on [x2]

[Chorus:]

Ohohohohoh

Keep on moving keep on rolling keep on coming

Keep it on and on and on and on

[Lenny:]

Señoras y señores

Por favor su atención

Outland esta en la casa

La fiesta comenzó

Me han dado la tarea escribir estas líneas

Hacerte balancear sin saber lo que te diga

[Isam:]

Y'all better believe that

we got u in check now

better not move

cuz we don't lie just to make it sound fly

to the fools the ho's the pimps

no not these outlanders

ain't no comic mother fucker in out buiz u dig

see we don't fly, we don't use no 45

if u gotta beef then u take it to the streets right

if u feel this outland dirty life style

say dididida didididida

[Chorus...]

[Waqas:]

Outland fam whut

u wanna get down u better stay put

cause we immigrants chilling VIP in clubs

so as long as u shaking u butt and we making it ruff

U can stroll with it

go ahead roll with it

I got at least to ounces to go along with it

Just bounce to this

as I count my amount to this

At the same time elevate u minds to this

[Lenny:]

Todos lo quieren aprender
No se ni que pensar
Quieren ya correr y no saben caminar
Representamos lo que somos
lo que hacemos y con quien estamos
este cubano cada vez que esta en la luz
pues ya no hay marcha atr is
mi foto esta en tu mente no me puedes olvidar
reconozcan este nombre
temprano o tarde
conquistamos tu lugar vamos para adelante

[Chorus:]

[Bridge:]

[Isam:]

it be the bad spitting snake
better watch where u step
wanna cross my dirty dessert with that cheap talk u set
na!!! put your money where your mouth is bitch
better crawl before u start to walk kid

[Waqas:]

Ey yo we coming through
so pump it up 1 time
we make the party people
wanna spin it two times in a row
and let 'em know who runs the show
it outland baby
so now u know

Uh baby get it on get it on...
Hey lady in the night in the night...

[Chorus:]
