[Intro]

Okay this one
Goes out to all the people living a dirty life style
You know what I'm saying

Dirty dirty east
Y'all mean south
Naah east playa

Dirty dirty east
Sure it aint south
Naah east playa
Still got love for the south though
North, west & east coast
Bang y'all heads to this beat fool
Gon' ride in the night while we popping them collars

[Rapverse1 (Lenny)]

Soy montuno cien por ciento
Una guitarra es lo que tengo
Cada manana estoy contento
Cada noche le canto al viento
El cantar de los cantores
Hace llorar a los mayores
Yo te regalo mis canciones
Remedio a los dolores
De oriente a occidente
Gente vamos ya
Del sur al norte
Mis guajiros a gozar
A si que oye como va
Mi ritmo
Ponte tu a bailar
Es outland

[Translation:]

I'm highlander hundred per cent
A guitar is the only thing I have
Every morning I'm so happy
Coz every night I sing to the wind

The song of folksingers
Make the grown cry
I give you my songs
As a remedy to the pain
From Orient to Occident
People come on now
From the south to the north
My guajiros lets get lose
Now listen how it goes
My rhythm
Get up and get your groove on
This is outland

[Chorus]

Well it's the dirty dirty east y'all
That's my peeps y'all
Watch the beast
If you don't belly that ass he gon' get ya fast

Dirty dirty east
Where's the meat y'all
Watch the grill
We gon' get our eat on

[Rapverse2 (Waqas)]

Pass that bread I'm starving y'all
Can I borrow your bird and make a call

Dirty east life style baby you know
Im that Beduin thug that's running the show
No cash flow still having blast,
Shaking my ass not forgetting my path
My desert caddie cruising streets
I don't pimp hoes I pimp sheep
Pass that waterpipe
I want my high tonight
Life is hard out of sight
Struggle on make it tight
Hey girlfriend can I have some water
At the well I caught her
9 sons and a daughter we share
Making it clear from the dirty dirty

[Bridge]

Oye com ova
La raza
Ponte tu a bailar
It's outland

[Chorus]

[Rapverse3 (Isam)]

Yeah!
My moms chose my wife
Got it all arranged
I love my mommy cuz she takes care of everything
Without her everyday journey to and from the well
There wouldn't be no water whole village would be
looking hell
Enough bragging she got me a pretty girl
You don't need to work
Just help my moms in the kitchen world
And every second year we'll make a baby or baby twins
Don't worry girl ya know my mom's gon' baby-sit
Never depend on me, it depends on my family
That's how we do it's gangsta, how it always be
You don't know me but ey!... we got a whole life's
Under the family tree, eating dates in moonlight
You to me is like what water is to sea ya know
I take it that my moms already told you about the gold
So let me put this henna on ya hand and do the vow
Oh tell ya pops not to worry, I threw in the cow

[Break]

All my thug moros let me hear you say oye oye
And to the sisters if you with me holla uy uy

[Chorus]
