They're working while I'm missing you those healing  
hands of time  
And soon they'll be dismissing you from this heart of  
mine  
They'll lead me safely through the night and I'll follow  
as though blind  
My future tightly clutched within those healing hands of  
time  
They let me close my eyes just then those healing  
hands of time  
And soon they'll let me sleep again those healing  
hands of time  
So already I've reached mountain peaks and I've just  
begun to climb  
I'll get over you by clinging to those healing hands of  
time  
I'll get over you by clinging to those healing hands of  
time
