I'm callin' you
With all my goals, my very soul
Ain't fallin' through
I'm in need of U
The trust in my faith
My tears and my ways is drowning so
I cannot always show it
But don't doubt my love

I'm callin' U
With all my time and all my fights
In search for the truth
Tryin'a reach U

See the worth of my sweat
My house and my bed
Am lost in sleep
I will not be false in who I am
As long as I breathe

Oh, no, no
I don't need nobody
& I don't feel nobody
I don't call nobody but U
My One & Only

I don't need nobody
& I don't feel nobody
I don't call nobody but U
all I need in my life

I'm callin' U
When all my joy
And all my love is feelin' good
Cuz it's due to U

See the time of my life
My days and my nights
so it's alright
Cuz at the end of the day
I still got enough for me and my

I'm callin' U
When all my keys
And all my bizz
Runs all so smooth
I'm thankin' U
See the halves in my life
My patience, my wife
With all that I know
Oh, take no more than I deserve
Still need to learn more

Oh, no, no
I don't need nobody
& I don't feel nobody
I don't call nobody but U
My One & Only

I don't need nobody
& I don't feel nobody
I don't call nobody but U
all I need in my life

Our relationship, so complex
Found U while I was headed straight for hell in quest
You have no one to compare to
'Cause when I lie to myself it ain't hidden from U
I guess I'm thankful
Word on the street is U changed me
It shows in my behaviour
Past present future
Lay it all out
Found my call in your house
And let the whole world know what this love is about

Yo te quiero, te extrañó, te olvido
Aunque nunca me has faltado, siempre estas conmigo
Por las veces que he fallado y las heridas tan profundas
Mejor tarde que nunca para pedirte mil disculpas

Estoy gritando callado yo te llamo, te escucho, lo intento
De ti yo me alimento
Cuando el aire que respiro es violento y turbulento
Yo te olvido, te llamo, te siento

[Translation:]

I love you, I miss you, I forget you
Even though you never let me down and always are by my side
For all the times I've failed and hurt you deeply
Better later than never to give you a 1000 apologies
I'm shouting silently, callin' you, I'm listening to you, I'm tryin'
You nourish me
When the air that I breathe is violent and turbulent
I'm forgettin' you, I'm callin' you, I'm feelin' you

Oh, no, no
I don't need nobody
& I don't fear nobody
I don't call nobody but U
My One & Only

I don't need nobody
& I don't feel nobody
I don't call nobody but U...

oh, no, no
i don't need nobody
& I don't feel nobody
I don't call nobody but you
MY one and only

I don't need nobody
& i don't feel nobody
I don't call nobody but you
all i need in my life
