alright

Yeah, I like this; I like the sound of this It's Outland Moro, never heard this before yea

Whether you work in a store

Or sick and tired of thuggish ruggish inlaws

All feel the urge to explode sometimes

Keeping it calm aint in our blood

So we must bust within our limits

Call me, I'll be online
Say it's gonna be fine
Don't u worry about life (no no
listen, baby I goin' for the night
Say I'll be back in any time
Cuz I've got to provide??

## Chorus:

Gonna let off some steam.
I'm gonna let off some steam
If you know what I mean
Gonna let off some steam
If you .... against the world
And you got no one to call
Just let off some steam
But hey let off some steam

## Lenny:

Cuando no puedas mas, Ni tengas tiempo de reir, ni de pensar Y el peso del mundo est $\tilde{A}f\hat{A}^-\tilde{A},\hat{A}\dot{\epsilon}\tilde{A},\hat{A}^{\frac{1}{2}}$  contra tuya Pega un grito dale bulla, esto es carnaval, Que.. no puedas mas, ni tengas tiempo de reir ni de pensar

Y el peso del mundo est $\tilde{A}f\hat{A}^-\tilde{A}$ , $\hat{A}$ ¿ $\tilde{A}$ , $\hat{A}$ ½ en contra tuya Pega un grito, dale bulla, esto es carnaval!" Esto es lo que hay

Esto es lo que viene

Esto es lo que va

Este es lo que da

Esta es mi verdad y yo

Este es lo que hay

Este es lo que viene

Esta es mi verdad,

Cuentame la tuya

Secate lo ojos dale bulla, dale bulla

Ya tu sabes.

translation:

Sight,

When you can not,

Neither has time to laugh, or think

And the weight of the world is against you

Paste a cry dale bulla, that is carnival,

Que .. can not or have time to laugh or think

And the weight of the world is against you

Paste a shout, dale bulla, that is Carnival! "

"This is what is

This is what comes

This is what will

This is what gives

This is my truth and I

This is what we have

This is what comes

This is my truth

Tell me yours

Dry your eyes with bulla dale, dale bulla

Now you know

If we didn't get along

Would we try to be strong

Or would we say it's so long (so long .. so long (

But hey..

Could we try to find a way..

Tryna find some "soleil"

On this cloudy day
