(feat. Taibi, Dany Rai)

Yeah I got all my moros up in here tonight
Gon' celebrate a brother is getting married - that's
tight!
I just got off work and I'm ready to eat
Ain't dressed nice
Guess it's the thought that counts, kid
Now pass that chicken with zitoun, eggs and djuzz
Fresh bread for me, fresh bread for u
Followed by the tea with na3na3 and suga
Shout out to the mothers who are behind this dinner
Let's go!

Lalla jibi lbalgha l moulay sultan
Mamma oujdi djellaba ou selham
Lalla serjou aoudi ou aatiouni lejam
Mamma laarfa laaba ou lbaroud kheddamm
Lalla saadi tayehni felli nebgghi
Rani khayef nrouh ma nouelli
Lalla zahri tayehni fi bent ennass
Mamma dertha fi galbi warda fi lkass

[Translation:]

Bring slippers for the bride
Prepare djellaba and the jacket
Saddle up the horse and hand me the bridle
The music plays and everybody is dancing
With my fortune I'll meet the one I love
I'm afraid to leave and never come back
With my fortune I'll fall for the girl
I took her to my heart like a rose in a vase

We got all my moros in here
And we'll be ready to eat right
Put your hands up way high
Now where's the bread at

We got all my moros in here
And we be ready to eat right
Put your hands up way high
Now where's the bread at

Corazones palpitando esta noche estamos
congregados
Esta noche estamos celebrando esta fiesta
Mágica, poética
El pacto eterno respeto a la vida le da
A partir de ahora, Comienza otra vereda
Lecciones de otro tipo, besos sin fronteras
Las miradas de cariño, pegadas al cielo ya se
pueden quedar

Ya están tienen quien les tienda la mano al pasar

[Translation:]

Hearts beating, tonight we come together
Tonight we're celebrating this reunion
Magical, poetical
The everlasting pact pays respect to life
From now on it takes a new direction
With new kinds of lessons and limitless kisses
Looks of affection are forever pasted to the sky
'Cuz now they have someone to be carried by

Lalla jibi lbalgha l moulay sultan

Lalla serjou aoudi ou aatiouni lejam

We got all my moros in here
And we'll be ready to eat right
Put your hands up way high
Now where's the bread at

We got all my moros in here
And we be ready to eat right
Put your hands up way high
Now where's the bread at

1 for the
2 for the
3 for the
The weddings over
We got one thing to go
Everyone jump in your cars
Hit the road
Bride and groom in front
20 cars behind

Ain't gon' overtake us man take u time
Windows down music high
Disturbing the night
All the cars got emergency lights
Even the police ain't givin' us trouble
We started out 20 and now the number is doubled

We got all my moros in here
And we'll be ready to eat right
Put your hands up way high
Now where's the bread at

We got all my moros in here
And we be ready to eat right
Put your hands up way high
Now where's the bread at...
