### "Strange Are The Times"

Sometimes I feel like crying  
Now on then I feel like dying  
Sometimes I feel like living  
This all these things make me human  
I feel on any occasion  
Only to rise and discover the distance  
I created between me and my all reflections  
I'll study to build \*\*\* studies my self  
To raped up in material race  
I try to be on my self  
I'm despitly need for some serious help why have some  
Issuies needs to be deflent  
Cause I'm walking the streets so senseless  
Amazing how many smiles you faked  
Promises will making bones will be break  
The end of the making  
I know that all it's we've been giving to protecting

No this hide  
How we \*\*\*  
How the stars vanish as the sun comes off  
How old streams stream to walk to oceans low

Tell me how  
Strange are the times  
They wouldn't no lie  
Those  
People will can't get alone  
Struggling getting mark  
Hmmm... Strange are the times

Life's just a game all of us must play  
Run crawl everyone falls  
Where do we belong tonight  
Strange are the times

*[Lenny's Part (Spanish)]*

How about the sun  
The source of light in mornin'

That reflects the light so bright

How about the sea  
Seas, they will never tell  
Accros the limit not to unseen line

How about the stars  
Stars helping us find a way  
To the beautiful night  
You and I  
You and I  
You and I

Tell me how  
Strange are the times  
They wouldn't no lie  
Those \*\*\*  
People will can't get alone  
Struggling getting mark  
Hmmm... Strange are the times

Life's just a game all of us must play  
Run crawl everyone falls  
Where do we belong tonight  
Strange are the times
