(feat. Majid)

This ain't a story 'bout race, color or creed
It's a story 'bout hate, envy and greed
Talk about ambitions but don't want us to progress
Ya talk about assistance but all we get is the stress
U don't really wanna see me grow
Hating on me choking on my flow
U say we rude, don't like our attitude
We crude, ain't got no gratitude
But I wasn't born to be low, I was born to rise
Wasn't born to pretend or keep my faith in disguise
Ain't got no freedom of speech
No freedom to teach - make our kids out of reach
Wanna break ties - alienated in their own land
Running riot in the streets, day by day getting out of
hand
U don't want me to be an inspiration
U wanna blame me for agitation
How can u tell me 'bout participation
When all u really want is segregation

Una palabra no dice nada
Y al mismo tiempo
Lo esconde todo
Como aquel viento que esconde el agua
Como las flores que esconde el lodo

[Translation:]

One word contains nothing
And at the same time
It contains everything
Like the air contains water
Like the flowers contain the mire

Is it my religion - u keep seeing as a threat
U think it's all about - murder, violence and death
But do u care to find - find the truth
Or is it easier to keep fronting and oppressing our
youth
Is this why I'm a be awestruck?
Damn these lies just make us stuck

Bow down to something greater
Nah forget that maybe later
Really must be joking, deceits and lies is all I see
Should I be your enemy or should I trust your lies
Should your treatment of my peeps make us forge
them ties
Got to tell me the truth as it is
Or we'll be keeping coming back right here to this
Second class citizen in my own home
Been 30 years gone - and still no dome, still gotta stay
strong
Thinking I'm thick trying to sell me this hypocrisy

Heard it before, u must be kidding me!

Wanna dictate who I marry
And even what my sis? should wear
Then prevent her from a job
Stuck on welfare - seems
To provoke and oppress us is ok - seems
Racism is cool - despite what u say
Wanna blame us for ya shortcomings
Just want a scapegoat
Still seeing us like a problem
Like we just off the boat
Guess u wanted cheap labour to build ya home

Una palabra no dice nada
Y al mismo tiempo
Lo esconde todo
Como aquel viento que esconde el agua
Como las flores que esconde el lodo

Una Mirada no dice nada
Y al mismo tiempo
Lo dice todo
Como la lluvia sobre tu cara
O el Viejo mapa de algÃºn tesoro

[Translation:]

One word contains nothing
And at the same time
It contains everything
Like the air contains water
Like the flowers contain the mire

One look contains nothing
And at the same time
It contains everything
Like the rain on your face
Or an old map leading you to some treasure

Where the next Abu Dharr at?
Where the next Khalid Ibn Walid aka Sayf-Allah at?
Tell us how we fuel this crime
Everyday statistics, everyday media - plenty of us
doing time
Why should I take the blame or shame
When I know u just looking for someone to frame
My individual freedom; abused
Rediticule of my deen, my beliefs, guess I be the new
jew
I've become the new ni**a of the world
Product of your society, adopted your values in their
entirety
Wasn't born like this, I was made this way
U like it or not, player - I'm here to stay
We walk the same streets, breathe the same air
Add to this state, but do u even care?
Guess u gotta reciprocate
Want us to be people of faith or people of hate?
U got your deen, I got mine - okay?
